

Photography Contest

on the occasion of

National Moth Week, 19-27th July

organised by

National Pusa Collection, Division of Entomology, ICAR-IARI, New
Delhi

Procedures of Selection

- The photography contest was conducted online.
- Participants were allowed to submit their photographs along with minimal details upto 25thh July
- The photographs were initially screened by experts
- The shortlisted photographs were sent to five esteemed reviewers
- The reviewers framed their results on the basis of the following criteria:

- ❖ Micromoth Subject – Is the moth a micromoth ?
- ❖ Natural Behavior – Does it show the moth in a natural setting or activity?
- ❖ Zero Editing –no post processing is allowed
- ❖ Image Quality – Is the moth in sharp focus and clearly framed?
- ❖ Aesthetic Value – Good composition, lighting, and visual appeal.

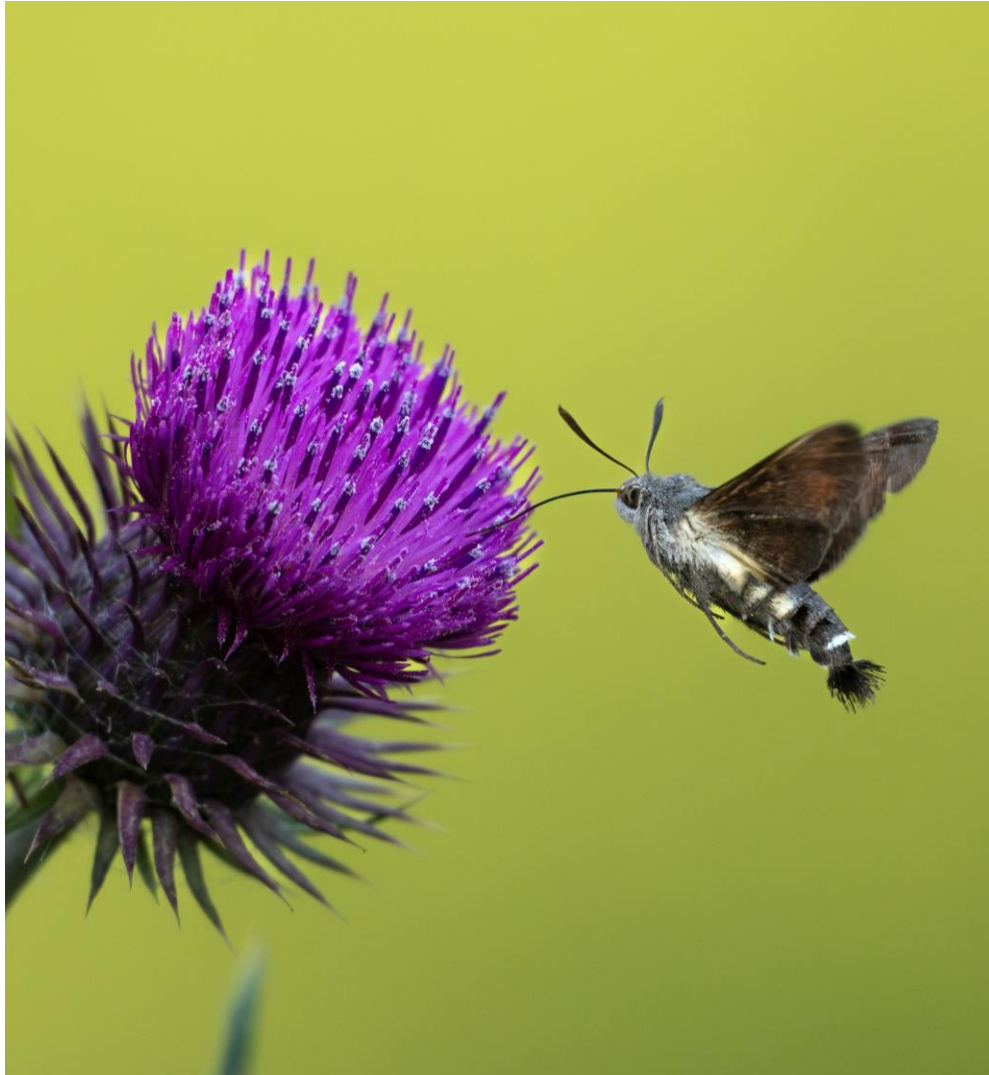

The reviewers' results were critically analysed by organizing committee and the final results were prepared. The decision of the organizing committee is final and binding in all matters related to the contest
